ANNUAL
REPORT

Building Capacity Towards SDG 30 & Beyond

ABOUT COMPANY

- DigiGaon Job Factory Foundation", is a Not- for-Profit company registered under Section 8 of Companies Act, 2013. In addition, it has also obtained registration with MCA as well as 80G and 12A for the purpose of managing projects with CSR funding.

- It is also registered as Public Data Office Aggregator (PDOA) with DOT, Govt. of India under PM-WANI Framework.

- Additionally, it is a Pledge-Partner of ITU, a UN body under Partner-to-Connect (P2C) program.

- We believe in promoting welfare, empowerment, development and activities for fulfilling the 17 Sustainable Development Goals (SDG) of United Nations
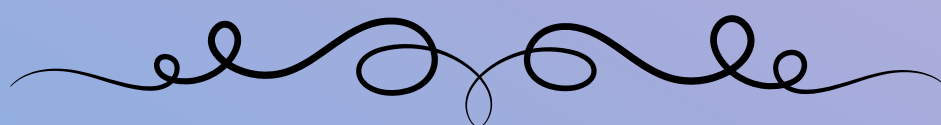

AIM & OBJECTIVE

Our primary objective is to actively contribute towards the accomplishment of the United Nations' 17 Sustainable Development Goals (SDGs). These goals encompass a comprehensive set of targets and aspirations aimed at addressing pressing global challenges and fostering a sustainable future for all.
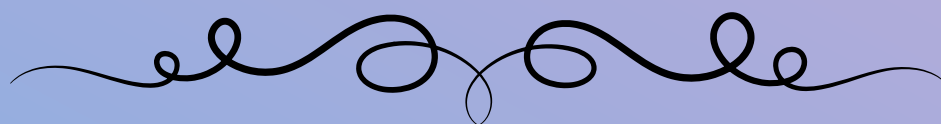

By aligning our efforts with the SDGs, we are dedicated to making meaningful contributions in areas such as gender equality, quality education, clean energy, sustainable cities and communities, poverty eradication, zero hunger, climate action, and responsible consumption and production, among others.

Through our initiatives, programs, and activities, we strive to create positive impacts and drive positive change in line with the SDGs. We work towards empowering individuals and communities, promoting social and economic inclusion, fostering environmental stewardship, advancing technological innovation, and advocating for equitable and just societies.
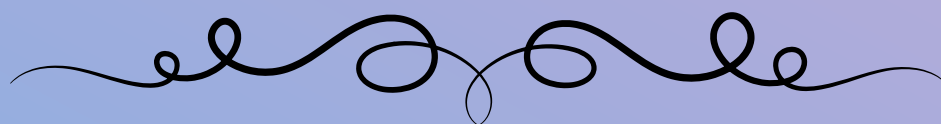

FOCUS AREA

- **Access to Technology** : Promoting digital literacy, providing access to technology and internet connectivity, supporting technology-driven educational initiatives, and bridging the digital divide. E.g Smart Villages, Smart Classes in Schools.

- **Ensuring Environmental Sustainability:** Undertaking projects related to environmental conservation like ProvidingGreen and Smart energy solution and Smart Solution to reduce pollution.

- **Skill Development and Employment:** Promoting skill development programs, vocational skill training centers, entrepreneurship development, and job creation initiatives to enhance employability and income generation for marginalized youth
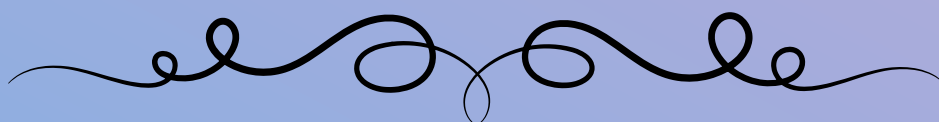

FOCUS AREA

- **Women Empowerment and Gender Equality:** Promoting initiatives that focus on empowering women, gender equality, promoting women's health and well-being, and supporting women-led enterprises. E.g Vocational Training Center for Women.

- **Extracurricular Educational Program-** Supporting initiatives that enhance access to quality education. Providing educational material and Happiness Kit for school life balance.
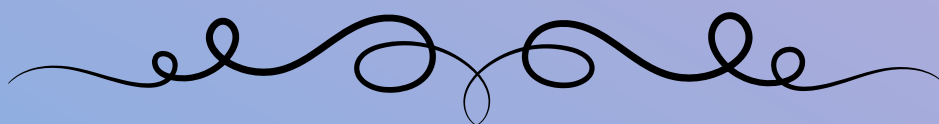

MULTISKILLING & CAPACITY BUILDING PROGRAM

Organized a workshop focused on empowering women in rural villages through entrepreneurship. Provided essential training on internet literacy, basic computer skills, and soft skills, enabling them to become self-employed and economically independent entrepreneurs at the village level

WI-FI FOR ALL- POWERED BY PM WANI

Enabled three government schools in villages with broadband connectivity to enhance quality governance. Furthermore, established free WiFi access points for local residents, fostering digital inclusion and connectivity within the community.

# PERSONALITY DEVELOPMENT AND SKILL TRAINING PROGRAM

Organized a seminar focusing on Personality Development and Soft Skills essential for employment. Covered topics included basic internet literacy, interview preparation, Microsoft Office proficiency, email etiquette, resume building, and fundamental banking knowledge, empowering participants with the skills needed to secure employment opportunities

EMPLOYMENT GENERATION PROGRAM FOR WOMEN

Initiated employment and entrepreneurship opportunities by creating three jobs for women across three rural villages. Empowered them with laptops and internet facilities to successfully operate their businesses, fostering economic independence and community development.

PROJECT D3- DETECT, DEFEND & DEFEAT- CREATING AWARENESS ABOUT CYBERCRIME

Project D3- Detect, Defend & Defeat- Creating Awareness About Cybercrime

Raising Awareness: Increasing awareness about the various forms of cybercrime, such as phishing, ransomware, identity theft, and social engineering.
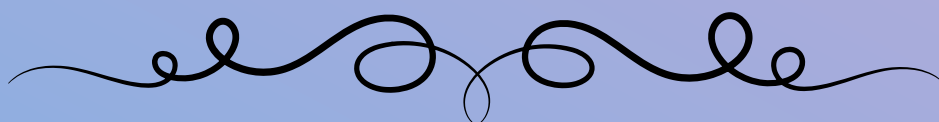

Empowering Vulnerable Groups: Prioritizing outreach to vulnerable groups, such as housewives, senior citizens and students, to ensure they understand the risks and protective measures.

NAYI UMEED- HAPPINESS KIT DISTRIBUTION PROGRAM

Empowerment Through Art: Empower underprivileged kids by equipping them with artistic skills, boosting their self-esteem, and instilling a sense of accomplishment through creative expression.
Community Building: Use art as a tool to build a sense of community among underprivileged children, fostering relationships, teamwork, and a positive social environment.

PROJECT SHASHAKT RAMANI

To Create awareness on Female Health & Hygiene
Addressing the Health Issues faced by Women during Life Span
Addressing the Mental health issue faced by women during pregnancy
Creating awareness about Breast & Cervical Cancer and reduce the stigma linked to the symptoms and treatment of breast cancer & Distribution of Hygiene Kit & Poshan Packets.

PASHU SWASTHYA AUR AARTHIK SASHAKTIKARAN ABHIYAN

Campaign for Animal Health and Economic Empowerment
Raising awareness on maintaining health and hygiene for cattle, along with exploring alternative sources of income beyond milk production to ensure sustainable livelihoods.
