# ABOUT US

- DigiGaon Foundation (Formerly Known As DigiGAon Job Factory Foundation) is a Not- for-Profit company registered under Section 8 of Companies Act, 2013. In addition, it has also obtained registration with MCA as well as 80G and 12A for the purpose of managing projects with CSR funding.
- It is also registered as Public Data Office Aggregator (PDOA) with DOT, Govt. of India under PM-WANI Framework.
- Additionally, it is a Pledge-Partner of ITU, a UN body under Partner-to-Connect ( P2C) program.
- We believe in promoting welfare, empowerment, development and activities for fulfilling the 17 Sustainable Development Goals (SDG) of United Nations

# AIM & OBJECTIVE

- Our primary objective is to actively contribute towards the accomplishment of the United Nations' 17 Sustainable Development Goals (SDGs). These goals encompass a comprehensive set of targets and aspirations aimed at addressing pressing global challenges and fostering a sustainable future for all.
- By aligning our efforts with the SDGs, we are dedicated to making meaningful contributions in areas such as gender equality, quality education, clean energy, sustainable cities and communities, poverty eradication, zero hunger, climate action, and responsible consumption and production, among others.

## TOWARDS ACHIEVING SUSTAINABLE DEVELOPMENT GOALS

- Through our initiatives, programs, and activities, we strive to create positive impacts and drive positive change in line with the SDGs. We work towards empowering individuals and communities, promoting social and economic inclusion, fostering environmental stewardship, advancing technological innovation, and advocating for equitable and just societies.

# FOCUS AREA

1. **Primary HealthCare** : Promoting initiatives that focus on health and hygiene involves implementing programs and strategies to improve health outcomes and ensure communities adopt and maintain good hygiene practices.
2. **Ensuring Environmental Sustainability:** Undertaking projects related to environmental conservation like Providing Green and Smart energy solution and Smart Solution to reduce pollution.
3. **Skill Development and Employment:** Promoting skill development programs, vocational skill training centers, entrepreneurship development, and job creation initiatives to enhance employability and income generation for marginalized youth
4. **Access to Technology** : Promoting digital literacy, providing access to technology and internet connectivity, supporting technology-driven educational initiatives, and bridging the digital divide. E.g Smart Villages, Smart Classes in Schools.
5. **Extracurricular Educational Program:** Promoting initiatives that focus on empowering women, gender equality, and supporting women-led enterprises. E.g Vocational Training Center for Women.
6. **Women Empowerment and Gender Equality:** Promoting initiatives that focus on empowering women, gender equality, and supporting women-led enterprises. E.g Vocational Training Center for Women.

# PROGRAM

## Nayi Umeed- Happiness Kit Distribution Program

- 1. Empowerment Through Art:** Empower underprivileged kids by equipping them with artistic skills, boosting their self-esteem, and instilling a sense of accomplishment through creative expression.
- 2. Health and Well-being:** Promote the emotional and psychological well-being of underprivileged children by providing them with a therapeutic outlet for self-expression through art.
- 3. Community Building:** Use art as a tool to build a sense of community among underprivileged children, fostering relationships, teamwork, and a positive social environment.
- 4. Educational Reinforcement:** Integrate art-based learning as a supplementary educational tool, reinforcing academic concepts in a creative and engaging manner for better retention and understanding.

# PROGRAM

## Pashu Swasthya aur Aarthik Sashaktikaran Abhiyan

- Promote Cattle Health and Hygiene:
  - Educating farmers on best practices for animal care, nutrition, and disease prevention.
  - Conducting workshops and awareness drives for farmers.
- Explore Alternative Income Opportunities:
  - Training farmers in producing cattle-based byproducts like organic fertilizers, biogas, and leather goods.
  - Supporting ventures in value-added products such as cheese, ghee, and curd.

# PROGRAM

## CELEBRATING INTERNATIONAL YOGA DAY

Theme: Yoga for Self and Society

Promoting a healthy lifestyle through yoga aligns with the vision of PM Modi.

Encouraging communities to embrace yoga for personal well-being and societal harmony.

# PROGRAM

## Organising Various Conferences & Seminar on Emerging Technologies

DigiGaon is dedicated to organizing conferences and seminars on emerging technologies, driving sustainable development, and creating employment opportunities for young people. Our initiatives focus on fostering an environmentally friendly environment while equipping communities with the knowledge and skills needed to thrive in a rapidly evolving technological landscape.
